WHO ARE WE?

We are Robin & Cherrel, proud founders of Double Daycare. After years of working in children daycare centers and as a primary school teacher, it was time for a switch!

We wanted to keep working with children, since this is what we love to do! Also we enjoy organizing events, so we decided to combine best of both worlds and started with Double Daycare!

Our goal is to give parents and children a warm and comfortable feeling, from the moment they step into our childcare. We want all children to have the BEST and most FUN day with us!
